Even the best of marriages need proper care and feeding ... or they slowly wither and die. And to make things even more difficult, the world puts 12 insidious marriage busters in your path.

The good news is ... God has a great plan for your marriage. He wants you to be a close and loving team that enjoys life to the fullest. And there is a way to get it.

During the cruise, there will be four, 3-hour seminars that will give you and your spouse a practical, powerful toolkit for making the most out of your relationship. And whether you've been married 5 weeks or 50 years, this cruise will be life-changing as well as fun.

Normally, this seminar has a tuition of several hundred dollars, but our speakers are so committed to this ministry that they're offering their services free of charge. They don't receive any remuneration whatsoever. They even pay their own way. Your only charge will be a mere \$97 per couple fee to help defray the cost of the materials you will receive.

Our speakers have seen the ups and downs of marriage. They know what works and doesn't work. And they tell it like it is. You'll hear from nationally known speakers, corporate executives, pastors, and parents with young kids as well as adult kids. Don't miss your chance to be a part of this cruise -- which is LIMITED TO 30 COUPLES.

Questions? Feel free to contact Nick and Kathy Hoty, the Executive Directors of CMEC (Christian Marriage Enrichment Cruises) at 440-343-9077. They'll be with us the entire time on the cruise. And as veteran teachers of marriage enrichment classes and as veteran cruisers, they'll be able to answer whatever questions you might have.

CMEC Seminar Focus and Faculty

We'll focus on the 4 C's of any good, fun, and healthy marriage: Caring, Communication, Companionship, and Commitment. We'll focus on Biblical principles and real-life skills that will bring these 4 C's alive for you and your spouse.

Our teachers include Dr. Alan Zimmerman, an author and professional speaker in the Speaker Hall of Fame, known for his life-changing strategies in the field of interpersonal communication. His wife Chris will also be sharing from her experience as a nurse and Bible teacher for several years.

Bob Parsons works with all levels of people in business ... all across the world. He knows the pressures of life, and he'll show how to blend a marriage and a career ... successfully ... without all the stress. And his wife Pam, a home schooling parent, will tell you what it takes to be happily married for 25 years.

You'll also hear from Pastor John Adams, who has been a highlight on previous CMEC's. He'll tell you how to avoid the "fizzle" so many people experience in marriage, and he'll tell you how to keep the "sizzle" in your relationship.

And Pastor Ed Ivie knows about growing deep with the Lord and growing deep with your partner. He brings a wealth of experience gained in teaching and preaching to a wide variety of people ... from the wealthy suburbs, to the poor inner cities, to the peoples of third-world countries.

Your teachers will be down-to-earth, extremely honest, highly practical, and even funny. You're in for a treat.
